

Homework

Kevin Sturm

L^AT_EX-presentation

Problem 1.

- Prepare a L^AT_EX beamer presentation (8-10 minutes) about a topic of your choice (e.g. linear algebra or analysis).
- Only give ideas of proofs.
- Prepare "handout" version of your talk (4 slides on 1 page).
- Send the presentation and the handout latest 9:00 am (26th June) to your tutor.
